COVENANT OF UNIFIED CONTROL

The undersigned do hereby swear or affirm that we are the fee simple titleholders and owners of record of property commonly known as Parcel Number 59430080007

1665 Mainsail Drive, Naples FL 34114

(Street address and City, State and Zip Code)

and legally described in *Exhibit A* attached hereto.

The property described herein is the subject of an application for Residential planned unit development (R PUD) zoning. We hereby designate Q. Grady Minor & Assoc., P.A. legal representative thereof, as the legal representatives of the property and as such, these individuals are authorized to legally bind all owners of the property in the course of seeking the necessary approvals to develop. This authority includes, but is not limited to, the hiring and authorization of agents to assist in the preparation of applications, plans, surveys, and studies necessary to obtain zoning approval on the site. These representatives will remain the only entity to authorize development activity on the property until such time as a new or amended covenant of unified control is delivered to Collier County.

The undersigned recognize the following and will be guided accordingly in the pursuit of development of the project:

1. The property will be developed and used in conformity with the approved master plan including all conditions placed on the development and all commitments agreed to by the applicant in connection with the planned unit development rezoning.
2. The legal representative identified herein is responsible for compliance with all terms, conditions, safeguards, and stipulations made at the time of approval of the master plan, even if the property is subsequently sold in whole or in part, unless and until a new or amended covenant of unified control is delivered to and recorded by Collier County.
3. A departure from the provisions of the approved plans or a failure to comply with any requirements, conditions, or safeguards provided for in the planned unit development process will constitute a violation of the Land Development Code.
4. All terms and conditions of the planned unit development approval will be incorporated into covenants and restrictions which run with the land so as to provide notice to subsequent owners that all development activity within the planned unit development must be consistent with those terms and conditions.
5. So long as this covenant is in force, Collier County can, upon the discovery of noncompliance with the terms, safeguards, and conditions of the planned unit development, seek equitable relief as necessary to compel compliance. The County will not issue permits, certificates, or licenses to occupy or use any part of the planned unit development and the County may stop ongoing construction activity until the project is brought into compliance with all terms, conditions and safeguards of the planned unit development.
