A sufficiency review of the submittal package for the above referenced project indicates the following items are deficient. These items were checked on your pre-application notes and will need to be submitted as soon as possible so that we may continue to process your application:

- **Affidavit of Authorization/Evidence of Authority** - *no affidavit of authorization submitted please complete and submit.*
- **Survey** - *no signed and sealed survey submitted please resubmit with survey.*
- **Addressing Checklist** - *need updated addressing checklist completed and uploaded. Prior checklist is more then 6months old.*
- **Listed Species Survey** - *pre-app notes indicate that listed species survey was suppose to be submit with the application.*

If you have any questions regarding the above comments, please contact me at
Phone: (239) 252-2443.

Thank you,
