Official: Woman hostage escaped before blast

Dave Collins
ASSOCIATED PRESS

NORTH HAVEN, Conn. – A Connecticut woman’s call to police to report that she had escaped after being held hostage for several days led to a standoff and explosion in a barn behind her home that left one person dead and nine police officers injured, officials said Thursday.

A regional police SWAT team responded to the property Wednesday afternoon after the woman’s call and encountered a barricaded man. Officers negotiated with him for hours before a building on the property exploded around 8:30 p.m.

The nine officers were treated for non-life-threatening injuries, and the remains of an unidentified person were found on the property, state police Trooper Kelly Grant said at a news conference.

Grant said she couldn’t confirm the identity of the body until an autopsy was completed. The woman was not at the home when police arrived Wednesday night, but Grant declined to release her condition, saying it was part of the investigation.

The owners of the property, Deborah and John Sayre, were going through a divorce, according to court records. Deborah Sayre filed for divorce on April 18 and checked a box for a line that said the marriage had “broken down irretrievably.” She did not return a phone message Thursday.

John Sayre ran a plumbing business, according to state business records. A sign on the property warned visitors there was danger and to keep out, according to a Google map street view.

The woman told authorities she was held against her will for several days, North Haven First Selectman Michael Freda said, citing what police officers told him at the scene Wednesday.

North Haven Deputy Police Chief Jonathan Mulhern said a woman called police to report domestic violence and police tried for hours to coax the man outside.

“Come out, John,” police said into a bullhorn aimed at the house before the explosion.

Two of the injured officers were released from the hospital Thursday, according to Freda, who said the others who remained hospitalized were in good spirits.

Emergency personnel work at the scene of an explosion in North Haven, Conn., on Thursday. One person died and several officers were injured when a standoff ended in the explosion Wednesday. JOHN WOIKE/HARTFORD COURANT VIA AP

** These amounts have been grossed up to include a 4% discount for early payment of assessments and a 3.5% administrative and collection reimbursement and compensation to the County Tax Collector and Property Appraiser.

The public hearing is being conducted pursuant to Chapters 170, 190 and 197, *Florida Statutes*. A description of the property to be assessed and the amount to be assessed to each piece or parcel of property may be ascertained at the office of the District’s Records Office located at 27499 Riverview Center Blvd., #253, Bonita Springs, Florida 34134, (561) 630-4922.

The District is a unit of special-purpose local government responsible for providing infrastructure improvements for lands within the District. The infrastructure improvements (“Improvements”) are currently expected to include, but are not limited to, Pond Bank Reconstruction necessitated by the damage Hurricane Irma caused to the District’s stormwater improvements, all as more specifically described in the Improvement Plan, on file and available during normal business hours at the address provided above.

The District intends to impose assessments on benefited lands within the District in the manner set forth in the District’s *Preliminary Assessment Methodology Report* (the “Assessment Report”), which is on file and available during normal business hours at the District Records Office. The Assessment Report identifies each tax parcel identification number within the District and assessments per parcel for each land use category that is currently expected to be assessed. The method of allocating assessments for the Improvements to be funded by the District will be determined by the volume of run off from each property benefited, as set forth in more detail in the Assessment Report. Also, as described in more detail in the Assessment Report, the District’s assessments will be levied against all benefitting property within the District. Please consult the Assessment Report for more details.

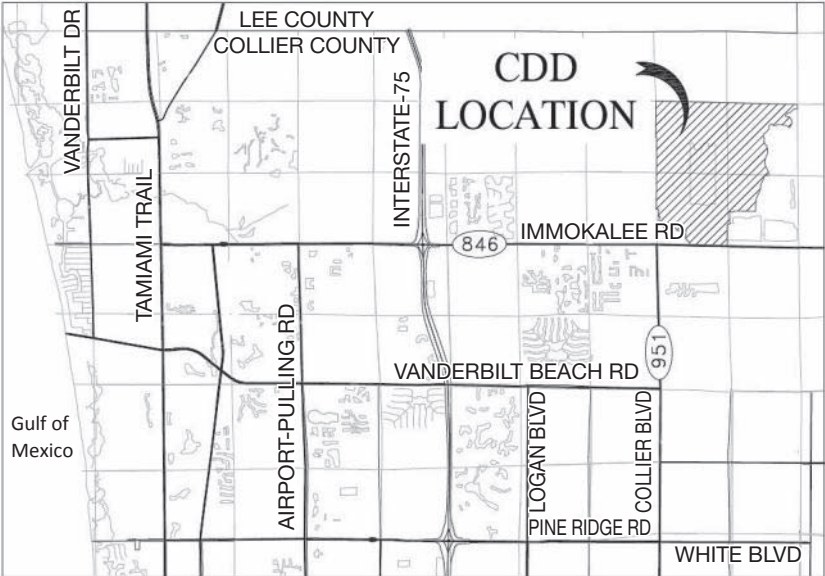

The annual principal assessment levied against each parcel will be based on repayment over a maximum of fifteen (15) years for the total debt allocated to each parcel. The District expects to collect sufficient revenues to retire no more than \$3,485,000 in debt to be assessed by the District, exclusive of fees and costs of collection or enforcement, discounts for early payment and interest.

The assessments may be prepaid in whole at any time, or may be paid in not more than fifteen (15) annual installments subsequent to the issuance of debt to finance the improvements. These annual assessments will be collected on the Collier County tax roll by the Tax Collector. Alternatively, and subject to bondholder consent, the District may choose to directly collect and enforce these assessments. All affected property owners have the right to appear at the public hearing and the right to file written objections with the District within twenty (20) days of the publication of this notice.

Also on **Monday, May 21, 2018, at 1:30 P.M., at The Quarry Beach Club, 8975 Kayak Drive, Naples, Florida 34120**, the Board will hold a regular public meeting to consider matters related to the construction of improvements; to consider matters related to a bond issue and special assessments to finance improvements; to consider the services and facilities to be provided by the District and the financing plan for same; and to consider any other business that may lawfully be considered by the District. The Board meeting and hearings are open to the public and will be conducted in accordance with the provisions of Florida law for community development districts. The Board meeting and/or the public hearings may be continued in progress to a date and time certain announced at the meeting and/or hearings.

If anyone chooses to appeal any decision of the Board with respect to any matter considered at the meeting or hearings, such person will need a record of the proceedings and should accordingly ensure that a verbatim record of the proceedings is made, which includes the testimony and evidence upon which such appeal is to be based.

Any person requiring special accommodations at the meeting or hearings because of a disability or physical impairment should contact the District Office at (561) 630-4922 at least 48 hours prior to the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service at 1-800-955-8770 for aid in contacting the District office.
