Subject: Grey Oaks Access for O'Donnell Nursery

Hello Jim, I am assisting Al O'Donnell with his landscape nursery improvements within the FP&L easement adjacent to Livingston Road. Al is trying to obtain dedicated access for his nursery operations from Livingston Road. We are proposing to amend the Grey Oaks PUD and DRI master plans to eliminate two previously approved but unused access points and add the two proposed access points on Livingston Road. We would appreciate it if you could review the attached information and provide us with a letter of no objection. If you have any questions, please feel free to contact John English or me. Thank you,

Wayne
