Good afternoon,

I had a zoning verification request that was emailed to me which originally was thought would be able to be resolved with an email response. Would these email attachments be sufficient to be processed? They are trying to have the zoning verification letter fees paid through Intergovernmental Charges as this is for a County Project, with Felicia Kirby as the project manager Felicia.Kirby@colliercountyfl.gov. Is there any other information I should provide to her or person I should speak with in order to guide her about how to pay using IGC.

Thanks in advanced for any of your help.
