Collier County Utility Dedication Statement

January 7, 2019

The developer agrees to dedicate the water distribution and sewage collection facilities within the project area to the Collier County Utilities. This shall occur upon completion of the construction of these facilities in accordance with all applicable County ordinances in effect at that time. The developer also agrees that the applicable system development charges and connection fees will be paid to the County Utilities Division prior to the issuance of building permits by the County. The developer agrees to dedicate the appropriate utility easements for serving the water and sewer systems.
