1. Work shall be performed in accordance with approved plan, Conditions of Permit appearing on reverse side, stipulations specified as part of this permit and in accordance with Collier County Ordinance # 09-19 and the "Public Right-of-Way Construction Standards Handbook," latest edition.	4. If the application is made by any person or firm other than the owner of the property involved, a written consent from the property owner shall be required prior to processing of the application.
2. Applicant declares that prior to filing this application he has ascertained the location of all existing utilities, both aerial and underground. Any changes to any utility shall be the responsibility of the Permittee for all cost.	5. Transportation Services Division approval does not exempt the permittee from gaining approval from any State, Federal or Local Agencies having jurisdiction over the proposed work.
3. If right-of-way permit is issued in conjunction with a building permit, the right-of-way permit expires upon completion of the building.	6. This permit is contingent upon Permittee obtaining necessary rights of entry for construction and maintenance where required right-of-way for public use has not been dedicated and accepted by Collier County.

STATUS: ISSUED ARH

BY: _____

DATE: June 15, 2016
