ACKNOWLEDGEMENT OF COLLIER COUNTY REGULATIONS

Application is hereby made to obtain a permit to do the work and installations as indicated. I certify that no work or installation has commenced prior to the issuance of a permit and that all work will be performed to meet the standards of all laws regulating construction in this jurisdiction. The permit or application fee may have additional fees imposed for failing to obtain permits prior to commencement of construction.

The approved permit and/or permit application expires if not commenced within 180 days from the date of issuance. The *permittee further understands that only licensed contractors may be employed and that the structure will not be used or occupied* until a certificate of occupancy is issued. By signing this permit application, I agree that I have been retained by the owner/permittee to provide contracting services for the trade for which I am listed. Furthermore, it is my responsibility to notify the Building Review and Permitting Department should I no longer be the contractor responsible for providing said contracting services. I further agree that I understand that the review and issuing of this permit does not exempt me from complying with all County Codes and Ordinances. It is further understood that the property owner/permittee is the owner of the permit.

Note: If change of contractor, please provide the following:

The applicant shall file with the issuing authority prior to the first inspection either a certified copy of the recorded NOC or a notarized statement that the NOC has been filed for recording, along with a copy thereof. In order to comply with the state requirement, permits will be placed in inspection hold until proof of the NOC is filed with the building permitting and inspection department.
