Re: Apparatus Access

Ref: Cameron Commons Tract 5 (PL20140002531)

Ms. Weems,

I have received your request for a waiver of the turning radius requirements of Collier County Fire Prevention and Protection Code Policy and Procedure Manual Article Number ACC 09-4. The turn in question is located at the Northwest corner of the above referenced project.

The Auto-Turn simulation provided shows entrance from the Northeast from Goodland Bay Dr and continuing down the rear length of the building as being sufficient and consistent with tactics we employ for non-building related fire incidents. The addition of a Designated Fire Lane with proper signage on the existing parking access road as shown on sheet 8 of 11 dated 7/30/2015 is satisfactory to approve the request.

A handwritten signature in blue ink, appearing to read "Dale Fey".

Dale E. Fey, Jr.
