RE: PL20150002140 / AR-8904 Avalon Park at Ave Maria Phase 2D Ave Maria Unit 7 - ROADWAY AND DRAINAGE IMPROVEMENTS ONLY

Dear Sir or Madam:

This is to inform you that the above referenced project has been granted preliminary approval by Engineering Review in compliance with Collier County Land Development Code, Section 10.02.05 (B). All water and sewer facilities approved and accepted and required to be maintained by Collier County shall be conveyed to the County pursuant to the provisions set forth in Collier County Ordinance No. 2001-57, as amended.

You are reminded that it is the applicants' responsibility to petition the Development Services Director for final approval of the improvements upon the expiration of the minimum one (1) year maintenance period. After satisfactory completion of all final inspections, the Board of County Commissioners shall adopt a resolution giving final approval of the required improvements, acknowledging the dedication(s) of the final subdivision plat and establishing County responsibility for maintenance of the required improvements if it is the Board's desire to accept and maintain the facilities.

If you should have any questions or if we may be of assistance, please advise.

Very truly yours,

John Houldsworth
