The legal description provided is not correct, it needs to less out portions for Carretto Drive, Pocida Court and Rapallo Street.

Also, please make the legal decription more legible (it's too small) or put it on a separate sheet of paper.

Correccion#3 - The new/updated Legal description is not submitted/attached to the project.

Correction Comment 2:

Enlarge the font of the legal description on your exhibit.

UPDATE 8/18/17--The legal description is still too small/illegible when printed on an 8 1/2" x

11" copy. Consider using a separate sheet for the legal description if you can't fit a more legible version on the exhibit.

Correction Comment 9:

Your application lists Waldrop Engineering, PA as "Applicant." We require an affidavit of authorization from all those listed as an "applicant." As such, please either 1) provide an affidavit of authorization from Waldrop Engineering, PA, OR 2) revise the application to change Waldrop Engineering, PA from "Applicant" to "Agent"

You can white out the word "Applicant" and write in "Agent," or you can digitally change the name if possible.

The following comments are informational and/or may include stipulations:

- **Applicants who are converting a paper submittal to E-Permitting must resubmit complete sets of all plans, signed and sealed, even if they were previously approved on an earlier review. As a reminder, all documents that are required to be signed and sealed must be digitally signed and sealed when submitting through our E-Permitting process. On the cover letter please identify that previous submittals were done through paper and that this submittal is by E-Permitting. Also, identification of the changes in cover letter (ex. See note #23 Civil Plan Sheet 4) improves the efficiency of the resubmittal review.**
- **When addressing review comments, please provide a cover letter outlining your response to each comment. Include a response to completed reviews with stipulations.**
- **Please be advised that Sections 10.02.03.H.1, and 10.02.04.B.3.c require that a re-submittal must be made within 270 days of this letter.**
