eastern part of the county and to identify potential project changes to the adopted Needs Analysis Plans. This workshop will provide the public an opportunity to provide comments related to the amendment.

The LRTP is a multi-modal plan that incorporates the transportation needs of bicycle/pedestrian; freight; bus; and vehicular travel. The goal of the LRTP is to develop an efficient management, operation and development transportation system that will serve the mobility needs of the people and businesses of Collier County and Southwest Florida. The MPO is seeking public input to help identify, review and comment on the transportation needs.

The MPO's planning process is conducted in accordance with Title VI of the Civil Rights Act of 1964 and related statutes. Any person or beneficiary who believes that he or she has been discriminated against as part of the MPO planning process, because of race, color, religion, sex, age, national origin, disability or familial status may file a complaint with Collier MPO by calling MPO Senior Planner, Ms. Sandy Otero, or by writing to Ms. Otero at 2015 S. Horseshoe Drive, Naples, Florida 34104.

Any person requiring special accommodations at the upcoming meeting because of a disability or physical impairment as well as anyone with general questions should contact Ms. Otero at least 72 hours prior to the meeting by calling 239-552-5806.

Proposed Flood Hazard Determinations For Undeveloped Areas in Collier County, Florida, Case No. 18-04-1148P. The Department of Homeland Security's Federal Emergency Management Agency (FEMA) solicits technical information or comments on proposed flood hazard determinations for the Flood Insurance Rate Map (FIRM), and where applicable, the Flood Insurance Study (FIS) report for your community. These flood hazard determinations may include the addition or modification of Base Flood Elevations, base flood depths, Special Flood Hazard Area boundaries or zone designations, or the regulatory floodway. The FIRM and, if applicable, the FIS report have been revised to reflect these flood hazard determinations through issuance of Letter of Map Revision (LOMR). In accordance with 44 CFR, Part 65 of the Code of Federal Regulations, these determinations are the basis for the floodplain management measures that your community is required to adopt or show evidence of having in effect to qualify or remain qualified for participation in the National Flood Insurance Program. For more information on the proposed flood hazard determinations and information on the statutory 90-day period provided for appeals, please visit FEMA website at www.fema.gov, plan/prevent/firm/bfe, or call the FEMA Map Information exchange (FMIX) toll free at 1-877-FEMA MAP (1-877-336-2627).
